---

### Export Services

Tarac has a dedicated experienced export team who can assist you to ensure that your goods arrive safely, in good order and in a timely manner.

All export approvals, documentation and freight co-ordination can be arranged by Tarac personnel.

---

### Dangerous goods documentation

The appropriate "Emergency Procedure Guide – Transport" will accompany all dispatches of grape alcohol in all packaging forms.

Bulk alcohol tankers carry the necessary documents permanently in their vehicle.

All drums and containers dispatched from Tarac will be appropriately sealed and labelled with Dangerous Goods and Hazchem safety information.

A Safety Data Sheet (SDS) is available for each of our grape alcohol products.

---

### Quality Assurance

Tarac's grape alcohol products are manufactured under processes with the following certifications;

ISO9001 – quality management system

ISO14001 – environment management system

HACCP – food safety management system

---
