

ENVIRONMENT AND SUSTAINABILITY POLICY

STATEMENT OF INTENT

Tarac has been a major contributor to the sustainability of the Australian Wine Industry since 1930. Tarac is committed to continuing our leadership in sustainability and exploring new opportunities to support the industry with managing its waste whilst maintaining profitability for our shareholders and ensuring accountability and responsibility for our own environmental and sustainability obligations. This policy outlines Tarac's commitment to environmental sustainability in accordance with environmental legislation, our Company Values and the use of our closed-loop environmental sustainability model.

SCOPE

This policy applies to all activities undertaken by Tarac.

RESPONSIBILITY

- CEO: Responsible for this policy.
- Managers: Responsible for implementation of this policy.
- All Personnel: Responsible for compliance with this policy.

AIMS AND OBJECTIVES

In addition to compliance with relevant environmental legislation, Tarac is committed to creating sustainable value through:

- 1) **REIMAGINE** – seek new approaches to solve problems and deliver solutions effectively and successfully.
- 2) **RECYCLE** – turn what others do not need or value, into things they do value.
- 3) **REDUCE** – adapt and evolve to reduce our footprint on the environment and society, by reducing waste, creating efficiencies, and finding better solutions.
- 4) Regularly measuring our performance and seeking to continually improve.

DISSEMINATION

Tarac will ensure this policy is made available to all staff and will seek to ensure that its content is understood by each.

REVIEW

This policy will be kept under review and revised according to the policy review schedule or as necessary to keep up to date with legislative or organisational change.
